About Us

Atschool.in is a fast emerging manufacturer, supplier, wholesaler and retailer of electronic consumer goods. The major products we offer are Educational Toy, Floor Puzzle and Game, Wooden Educational Set Of 6, Mini Leaves 2 Piece Puzzle for Kids, Wooden Intelligence Brain Games 40 Pcs, Wooden Educational Puzzles Set Of 6, SWITCH to a Smart Home, IOTICS Smart WiFi Touch Switch, Wi-fi Touch Switches, etc. These are vastly demanded products for domestic as well as commercial use. We are operating out of Mandi, Himachal Pradesh, and serve all parts of North India, and the rest of the Indian market. We manufacture products using optimum grade electronic components and parts for ensuring seamless functioning, durability, long functional life and easy operation. We manufacture in large quantity to maintain a good pricing structure. We pay utmost attention to quality of each consumer durable through our integrated quality assurance policy.

Our company adopts many customer-centric policies in order to ensure complete customer satisfaction. We make sure that the end users get the best quality products at very reasonable prices. For this, we strive to understand the exact demand trends in the market and manufacture products accordingly. Since we have only recently ventured into manufacturing of electronic consumer goods, we train ourselves on long-term services and solutions in the industry.

We have a well-equipped manufacturing facility having the latest devices, instruments and machinery for the production and assembling of different electronic consumer goods. The facility is operated by experienced professionals who possess immense knowledge of the designs of Touch Switch, and other products in our range. For checking the quality of products, we have built a separate division that features all the needed instruments and tools for the purpose.
